**THE CONSTITUTION
OF
EASTERN AND SOUTHERN
AFRICA SMALL SCALE
FARMERS' FORUM
(ESAFF)**

15th April, 2011
Morogoro, Tanzania

**THE CONSTITUTION OF
EASTERN AND SOUTHERN AFRICA SMALL SCALE
FARMERS' FORUM
(ESAFF)**

PREAMBLE

WHEREAS, the Eastern and Southern Africa small scale Farmers' Forum was established out of the Small Scale Farmers' Convergence (SFC) which was a parallel event at the World Summit on Sustainable Development (WSSD) held in Johannesburg, South Africa in August 2002 and was attended by more than 300 small scale farmers from 19 countries representing Africa, Latin America, Canada, Europe and Asia. The purpose of the Convergence was for the small scale farmers to have a forum to speak as a united voice so that the issues and recommendations of farmers could become an integral part of the deliberations and outcomes of the WSSD.

WHEREAS, we the peasant farmers, pastoralists and fisher folks are the majority that constitute eighty percent of the Eastern and Southern Africa Region's population, we affirm that ecological farming, pastoralism and fishing culture is an integral part of our lives and livelihood: it has provided food security, employment, healing and spiritual inspiration and has been a basis for social education, human development and skills generation over generations.

WHEREAS, we the peasant farmers, pastoralists and fisher folks, sadly remain unheard and unnoticed in our respective communities. We are exploited, we are scorned by the society and we have sadly for years resorted to self pity. We degrade our own environment and its natural resources to the detriment of ourselves and the posterity. For generations, there has been no Forum for us to voice our concerns; thus realizing our plight and we resolve to form our Forum so as to relieve our misgivings and chart a way forward that will enhance our strength in unity to enable the society to hear, see and accept our valuable contribution to human development in the Region.

WHEREAS the small farmers organizations, the national farmers' organizations (ESAFF Chapters) in the Eastern and Southern Africa region, as founder members, are desirous to establish an Organisation to be known as the Eastern and Southern Africa small scale Farmers Forum, abbreviated as ESAFF as the Regional Non Governmental Organization carrying out community development activities for the betterment of the public in the Eastern and Southern Africa countries.
